

St. Anthony's Primary School

Complaints Procedures

Adapted by Board of Governors on _____

To Be Reviewed on: _____

1. Introduction

We hope that issues can be addressed by talking to the relevant staff. Open communication and regular engagement between the school, parents/carers and other stakeholders is vital to nurturing positive relationships within the whole school community.

1.1. School Information

We believe that our school provides a good education for all our children, and that the head teacher and other staff work very hard to build positive relationships with all parents. However, the school is obliged to have procedures in place in case there are complaints by parents. The following policy sets out the procedure that the school follows in such cases.

2. Aims and objectives

Our school aims to be fair, open and honest when dealing with any complaint. We give careful consideration to all complaints and deal with them as swiftly as possible. We aim to resolve any complaint through dialogue and mutual understanding and, in all cases, we put the interests of the child above all other issues. We provide sufficient opportunity for any complaint to be fully discussed, and then resolved.

St. Anthony's is a happy, friendly and caring environment, where children feel secure and valued. We are committed to providing a full and enriched curriculum where children are encouraged to work to the best of their ability, to reach their full and true potential.

We aim to deepen the spiritual and emotional needs of each child through our Catholic ethos and to develop an awareness and respect for all faiths in our community.

As independent learners the children are equipped with life skills that enable them to make a positive contribution to life in school, home and community.

In all aspects of school life children, parents, teachers and the wider community will work together to encourage each child to learn, to love and to live in our world.

How to share a concern

If a parent is concerned about anything to do with the education that we are providing at our school, they should, in the first instance, discuss the matter with their child's class teacher. Most matters of concern can be dealt with in this way. All teachers work very hard to ensure that each child is happy and making good progress at school; they always want to know if there is a problem, so that they can take action before the problem seriously affects the child's progress.

We welcome communication with our staff. Parents / carers can do this by contacting staff as outlined below:

We take all issues seriously and make every effort to resolve matters as quickly as possible.

1.2. Communication Chart

If you wish to make a complaint, please follow the School Complaints Procedure attached.

2. Scope of the Complaints Procedure

A complaint is described as an expression of dissatisfaction with our work.

2.1 Complaints with Established Procedures

Our school Complaints Procedure sets out how any expression of dissatisfaction relating to the school will be managed. By taking complaints seriously at the earliest possible stage, it is hoped that they can be resolved quickly and effectively.

Some examples of complaints dealt with:

- Not following school policy
- Communication delays / lack of communication
- Difficulties in staff / pupil relationships

This procedure should not be used for complaints with separate established procedures, however if your complaint relates to the school's failure to correctly administer any of these procedures, then you may complain by means of this procedure.

Some examples of statutory procedures and appeal mechanisms, which are not part of the school's complaints procedure, are listed below. The list is not exhaustive. The principal/ chair of governors will advise on the appropriate procedure to use when a complaint is raised.

Exceptions
• Admissions / Expulsions / Exclusion of children from school • Statutory assessments of Special Educational Needs (SEN) • School Development Proposals • Child Protection / Safeguarding

2.2 Anonymous Complaints

The school will not normally investigate anonymous complaints, unless deemed by the chairperson of the board of governors to be of a very serious nature. The decision of dealing with such complaints will be at the discretion of the chairperson of the board of governors.
